ANNUAL REPORT 2023-2024

Dr. P. A. Inamdar University, Pune

Preamble

The Annual Report has been compiled and presented before the Board of Management meeting held on 16th August 2024 for approval and submission.

Office of the Registrar

Dr. P. A. Inamdar University, Pune

About the Maharashtra Cosmopolitan Education Society, Pune

Maharashtra Cosmopolitan Education Society (MCES), was established in the year 1948 by Late Mr. Abdul Kadir Khan and others, with the objective of providing education to the economically, educationally, and socially weaker sections of the society. It is an educational society registered under the Society's Registration Act of 1860 and also a Public Trust registered under the Bombay Public Trust Act 1950. It is also registered under section 12(a) of the Income Tax Act 1961 and is exempted u/s 80G of the said Act by the Income Tax Commissioner, Pune.

The M.C.E. Society is one of the oldest educational organizations in Pune & has done pioneering work in the field of education. From a humble beginning of 4 schools, it has been transformed into an excellent educational complex of Higher, Medical, Technical, and Professional academic institutions in the field of Arts, Science, Commerce, Computer Science, Law, Education, Pharmacy, Management Sciences, Architecture, Dental Sciences, Hospitality Studies & Information Technology.

With the leadership and immense support of President Dr. P. A. Inamdar & Vice-President Mrs. Abeda Inamdar, the 75-year-old MCES continues to provide education to the economically, educationally, and socially weaker sections of society. Today it comprises 32 institutes and over 30000 students at the serene and green 24-acre campus with all necessary infrastructure facilities including an auditorium, hostel, and canteen.

The campus with its scenic beauty provides a peaceful environment conducive to study for the student. The campus is equipped Wi-fi facility, state-of-the-art Library Resources, modern classrooms, and laboratories. The campus motto has always been to provide the students with the best facilities possible. The infrastructure with beautiful buildings, well-laid internal roads, picturesque landscape, well-equipped laboratories, libraries with computers, furnished hostels for boys and girls, V.M. Gany Sports Complex, and a pavilion constructed in accordance with National standards is a well-known play area. Students take maximum advantage of these facilities and have shown results by participating in State and National level competitions and bringing laurels to their respective colleges & institutions. Moral and value education enhances the personality of our students and develops self-confidence, self-respect, and a positive attitude towards life.

We have also created human resources while creating infrastructure and materials for education. This asset has great potential to contribute to society and bring about significant transformation beneficial to mankind. The vision is very clear – upliftment of society through education. This vision is being translated into reality with a great sense of responsibility.

Azam Sports Ground- the heart of the Campus and Training Ground of many National level Sportsmen and Sportswomen

Dr. P. A. Inamdar University, Pune

About the Dr. P. A. Inamdar University, Pune

Dr. P. A. Inamdar University, Pune established under Maharashtra Act No. XXXVII of 2022 on May 13, 2022, stands as a testament to the commitment of the Maharashtra Cosmopolitan Education Society, Pune, towards fostering excellence in education. The university is dedicated to the ideals of "**Educate, Empower, Evolve**" reflecting its mission to impart knowledge, empower individuals, and contribute to the evolution of society.

The University is situated in Azam Campus, Camp the prime location of Pune, the university offers a conducive environment for learning, research, and personal development with state-of-the-art infrastructure and modern facilities, Dr. P. A. Inamdar University is poised to become a hub for academic excellence and innovation.

The university's founding principles revolve around the concept of education as a transformative force. "**Educate**" represents the core activity and ethos of the institution, emphasizing the importance of knowledge acquisition and dissemination. Dr. P. A. Inamdar University is committed to providing a holistic and enriching educational experience that goes beyond traditional classroom learning, preparing students for the challenges of dynamic global changes, challenges, and complexities.

"Empower" is a guiding principle that underscores the university's commitment to nurturing individuals with the skills, confidence, and ethical values needed to make a positive impact on society. Through a range of academic programs, mentorship initiatives, and extracurricular activities, the university aims to empower its students to become responsible and capable contributors to their respective communities and the world at large.

The third pillar, "Evolve" signifies the university's dedication to fostering innovation, research, and adaptability. Dr. P. A. Inamdar University aims to be a catalyst for intellectual growth and progress, encouraging students and faculty to push boundaries, challenge conventional thinking, and contribute to the advancement of knowledge in their respective fields.

The university boasts a comprehensive academic structure with its constituent colleges/school, each dedicated to fostering expertise in specific domains. These colleges include the HGM Azam College of Education, Allana College of Pharmacy, Allana Institute of Management Sciences, Allana College of Architecture, Allana Institute of Computer Application and Information Technology and School of Commerce, Management and Computer Studies.

The Maharashtra Cosmopolitan Education Society, Pune, as the sponsoring body, plays a crucial role in guiding the university's vision and mission. With a rich legacy in education, the society brings a wealth of experience and expertise to ensure the success and growth of Dr. P. A. Inamdar University.

Dr. P. A. Inamdar University, Pune Vision, Mission, and Objectives

Vision:

To have a transformative impact on society by promoting student-centered development, continuous innovation and creativity in education, entrepreneurship and institutional social responsibility.

Mission:

- To cater to the educational needs of the students of all communities in general and Muslim Minorities in particular.
- To provide value-based education thereby creating human assets that will contribute to nation building
- To foster a scientific attitude and innovative culture in its institutions.
- To include and expand newer academic streams in its institutions and provide world-class infrastructure for learning, research and application of knowledge
- To inculcate and enrich values of integrity, hard work and humanity among staff and students.

Objective

- To appreciate diversity in culture and religion, as well as to promote tolerance, social harmony and compassion.
- To promote academic independence, openness, honesty and integrity while fostering excellence in co-curricular, extracurricular, and curricular activities.
- To empower teachers and students by the creative and appropriate use of technology.
- To provide students with a high-quality, value-based education and to impart the core skills and information required for a firm understanding of the career they have chosen.
- To create, put into place and oversee strategies for improving the quality of administrative and academic performances.

Dr. P. A. Inamdar University, Pune

President / Chancellor's Message

It gives me immense pleasure to introduce Dr. P. A. Inamdar University, Pune, Maharashtra which is a holy place of learning, innovation and research with a futuristic vision. The University offers a conducive learning environment with committed teaching faculty and state-of-the-art infrastructure. Here at Dr. P. A. Inamdar University, We believe in the holistic development of needy students, harnessing the young innovative minds and making them responsible citizens of the country.

Dr. P. A. Inamdar
President - Chancellor
Dr. P. A. Inamdar University

Dr. P. A. Inamdar University, Pune

Vice Chancellor's Message

It is our firm belief that education is essential for success in life, whether on the personal or the professional front. While ensuring the presence of knowledge to harness opportunities for growth and development, it presents itself as a powerful tool that has transformed lives and enhanced social consciousness. To these ends, education here at Pune's leading self-financed university presents three great value propositions quality and opportunity leading to an extraordinary destiny. What brings these about is our state-of-the-art infrastructure conducive to holistic learning and progress, and a team of highly motivated, trained and experienced individuals, some being gold medalists, university toppers and rank holders in their fields.

Dr. P. A Inamdar University, Pune is now ready to make your dreams for education and a professional career come true.

Dr. M. D. Lawrence
Vice Chancellor
Dr. P. A. Inamdar University

9) Social Activities provide the details of social initiatives in your department.

18th November 2023
Students of F.Y.B.Arch & S.Y.B.Arch. visited Saras Baug as part of the Urban95 Initiative and Design 1 studio site visit

14th – 17th December 2023
Students of SYBArch & TYBArch volunteered for Urban 95 Kids Festival organized by Van Leer Foundation in association with PMC at Sarasbaug.

ACOA very successfully conducted a National-level Faculty Development Programme (FDP) on Research Report Writing from 9th January - 5th February 2024 “helping the researchers to compile the completed research in final report format”. Eminent speakers viz. Dr. Archana Singh, Dr. Sandeep Prabhu, Dr. Roshan Kazi and Dr. Sachin Kadam were invited to guide the participants from different parts of the country.

The FDP received a very good response with huge appreciation from around 160 researchers /participants including teachers, students & professionals.

6) Steps taken towards quality education in the department. (The following are only for reference)

- 1. Mentor-mentee relationship between the students and faculties.

Objectives of the Mentor-Mentee Scheme

- To monitor the academic enhancement of the Mentee continuously.
- To monitor attendance and performance in internal exams of the Mentee and provide a support system to guide and motivate him/her.
- To identify and solve personal and health-related problems of the Mentee

With this purpose, a well-structured mentor-mentee system has been developed in the college. The teachers in the college as mentors have been allotted a number of students under this system. We prepare the list of Mentor-mentees and allot to all the Teachers, the list is published on the Notice Board. The mentor collects all the personal and educational information of the mentee. The mentor focuses on the needs of the students and regularly updates about the student's progress. The mentor establishes consistent communication and counsels him/her wherever and whenever necessary and closely monitors the growth of the students. The mentor bridges the communication gap between parents and the College by regularly updating the parents about the student's progress and updates from the college. Our ultimate goal through higher education is to mold and develop the students from rural area's overall personality and progress.

Dr. P. A. Inamdar University, Pune

2. Finding out the slow learners and fast learners and providing them with suitable suggestions, appreciation, and motivation as per their requirement

Slow & fast learners were identified based on their performances in-class tests, home assignments, end-semester examinations, number of backlogs carried.

Fast learners are appreciated & motivated by awarding them prizes. Encouraged them to participate in various activities, giving them the role of coordinating various events. Fast learners were utilized to promote various activities in the other colleges.

Slow learners were provided additional coaching for difficult subjects. Provided opportunities for them to nurture them by encouraging them to participate in the various curricular & co-curricular activities.

3. Practical Oriented Practices.

4. Improving teaching methods.

1. Used ICT tools and E-Learning methods like PPTs, YouTube videos, Blogs, and Google Classroom for each subject
2. Used E-Learning methods like PPTs, YouTube videos, Blogs, and Google Classroom for each subject prepared by faculties
3. Applied student-centric methods like Group discussion, presentation etc.

5. Assessment techniques.

1. Conducted online MCQs
2. Survey on stress management prepared and conducted by students as an assignment and understanding of stress level for organizational behavior
3. Conducted internal Exam
4. **Continuous And Comprehensive Evaluation** conducted through Assignments

6. Interacting session with all the students

organized Parents Teachers Meet on 3rd February 2024

7) Details of the student support clubs and brief about the functioning of the same in your College /Department

1. Name of Club: Academic Club

Activities conducted by these clubs:

Coordinated & conducted a Career Counseling session by Eduwise.

Preparation of reports for the various events & activities conducted & organized by the college.

2. Name of Club: Cultural Club

Activities conducted by these clubs:

Participated in various events of "Happenings"

Worked as a volunteer for various events

Promoted & marketed various events of 'Happenings' in the various colleges of Pune and generated participation of students for the cultural events.

3. Name of Club: Sports Club

Activities conducted by these clubs: Participated in Happenings, worked as a volunteer in various sports events like cricket etc.

8) Details of extra-curricular / Industrial visit activities held during the academic year

SR NO.	EVENT NAME	EVENT DATE	EVENT DETAILS
