

Brief Profile

**Mr. Pravesh Kumar
Controller of Examinations (I/c)
Dr. P. A. Inamdar University, Pune**

Seasoned academic administrator with over 12 years of experience in examination systems and academic operations across renowned higher education institutions. Recognized for consistently high performance in managing complex services, demonstrating strong leadership, organization, time management, and negotiation skills. Energetic, results-oriented, and highly motivated, with a proven ability to coordinate and execute multifaceted procedures within established frameworks.

Currently serving as Deputy Controller of Examinations & In-charge COE, leading the full spectrum of examination functions including ERP-based process automation, SOP development, and Ph.D. assessment coordination. Successfully implemented digital transformation initiatives, achieving 100% on-time result delivery and enhancing operational efficiency through paperless administration. Honored with the “Best Employee Award” at Noida International University for excellence in institutional service. Presently pursuing a Ph.D. in Management, with a strong commitment to driving academic integrity, compliance, and governance excellence.
